

RTMC Nelson Mandela Winter Warmer Drive

In response to the 2016 Cabinet theme for the Nelson Mandela Day, the focus was on education and literacy, food security, shelter and environment as part of contributing towards community development. The Road Traffic Management Corporation in commemoration of the Nelson Mandela Month and Women's Month hosted the RTMC Nelson Mandela Month Winter Warmer Drive. The Corporation assisted by providing mattresses, blankets and food parcels to the beneficiaries whose households were destroyed and damaged by fire, forced evictions and storms. The following hand over events were executed:

Donation of mattresses and blankets to the community of plastic view informal settlement	Gauteng, Plastic view
Distribution of groceries and feminine health sanitary towels to community members and farm workers forcefully evicted from their farm houses	Free State, Fouriesburg
Donation of mattresses and blankets to high poverty stricken households	Free State, Welkom
Donation of mattresses and blankets to an informal settlement affected by violent and harsh winter storms	Eastern Cape, Nelson Mandela Metro
Donation of mattresses and blankets to poverty stricken households	North West, Bapong
