

National School Nutritional Programme CSR Project.

As part of the RTMC's CSI initiatives, the Corporation hosted a National School Nutrition Programme (NSNP) hand over event in Mbabalana Senior Primary School, in Mbabalana Village, Eastern Cape. The event took place on the 30th March 2017. The school is a quintile one rated school and is dependent on State provision of the NSNP to provide meals for the learners.

The school NSNP provides only one meal on a daily basis. The Corporation has contributed in order to assist the school with the provision of the second meal to the learners in the form of hot lunch. Majority of the learners are from impoverished households and lack sufficient nutrition and meals on a daily basis.

Through the initiative, the Corporation provided the school with cooking utensils, water heating urns, maize meal, rice, samp, mealie rice, canned fish and baked beans, cooking oil, soup packets, dried mincemeat that contributed towards the lunch meal for the learners.
