

**Winter Warmer School Uniform CSR Project:**

As part of the RTMC's CSR initiatives, the Corporation in partnership with the Free State Department of Police, Roads and Transport hosted a Winter Warmer School Uniform CSR Project on 18th August 2017 at Itumeleng Mabelle Primary School. The initiative provided the learners at the school with full school uniform which included school shoes, trousers, tunics, shirts and Drimacs to keep the learners warm during the winter season. The school confirmed the 516 learners to be in need of social intervention and the winter warmer school uniform project would serve to address the need.

The learners that benefitted from the project were confirmed by the school governing body and the social welfare committee to be from the poverty stricken households. Some of the identified learners rely on the state social grant, while some learners' parents are unemployed and cannot afford school uniform.
