DEADLINE FOR LICENCE RENEWALS FAST APPROACHING

PRETORIA -: The national lockdown imposed on the country last year forced licencing centres to close, resulting in a backlog of expired licences.

The Minister of Transport subsequently announced an extension for all learner licences, driving licence cards, temporary driving licences and professional driving licences that expired from 26 March 2020 to 31 December 2020, deeming them valid for a grace period ending 31 August 2021.

As the deadline fast approaches, members of the public are encouraged to take advantage of the extended operating hours at various licensing centers to renew their licenses before the deadline.

Tips on licence renewals:

- Do not wait until the exact expiry date before considering to renew your vehicle or driving licence
- Allow atleast four weeks lead time from date of application for your delivery of your driving licence card
- Apply for your driving licence early to avoid having to apply for a temporary driving licence at an additional cost
- When applying for your driving licence, present the following to your nearest DLTC:
