SECTION: 2

SPECIFICATION DETAILS AND FUNCTIONALITY REQUIREMENTS

SECTION 2: SPECIFICATION AND DETAILED FUNCTIONALITY REQUIREMENTS

1. PURPOSE

- 1.1** The RTMC invites reputable service providers to provide Employee Health and Wellness Program Services to employees and their immediate family members for a period of three (3) years with an option to extend.

2. OVERVIEW AND BACKGROUND

- 2.1** The Road Traffic Management Corporation (Hereafter referred to as "RTMC"), was established in terms of section 3 of the Road Traffic Management Corporation Act No. 20 of 1999. The Act aims to establish powers, resources and eliminate the fragmentation of responsibilities for all road traffic management across the various levels of Government.
- 2.2** The RTMC Head Office is currently based in Gauteng with regional office in seven (7) provinces and comprises of about six hundred and thirteen (613) employees, with a strategic intent to grow further up to + - 2000 employees in the immediate future. There are two main types of employees viz. the office-based employees and with the majority being the National Traffic Police Officers who operate throughout South Africa. The traffic officers currently work a 12-hour shift of both day and night duty. The Corporation envisages growing nationally with regional offices in the other eight provinces.
- 2.3** Furthermore, RTMC has a Traffic Training College situated in Gauteng and has three hundred (300) students which will be increased with additional seven hundred (700) at foreseeable future.
- 2.4** Employees spend the majority of their time at work; as a result, they carry their personal problems to the workplace, which may interfere with their productivity.
- 2.5** In terms of the Public Service Regulations, 2001 workplaces are required to offer support programmes that promote the health and wellness of their employees. In complying with the regulations, the RTMC has a responsibility to ensure that employees are offered an Integrated health and wellness support program.
- 2.6** It is against this background that the RTMC invites suitable service providers to provide the Employee Health and Wellness Services to employees of the Corporation and their immediate family members (all the people living under one roof).

3. PROBLEM STATEMENT

- 3.1** Employees are the most important assets of any organisation. Their day-to-day productivity contributes towards meeting the organizational goals and objectives. The availability of an accessible Employee Health and Wellness Programme for emotional support will enhance their overall productivity.
- 3.2** The country continues to experience significantly high number of road deaths and fatalities occurring daily on our national roads. The Road Traffic Management Corporation (RTMC) is looking for a reputable service provider to render an Integrated Employee Health and Wellness Programme, for employees and their immediate family members to help in addressing the above stated challenges.

4 OBJECTIVES

- 4.1 The EAP can be defined as a programme aimed at improving the quality of life of officials and their families by providing greater support and helping to alleviate the impact of everyday work and personal problems. This programme enhances officials' well-being by restoring impaired job performance whilst at the same time increasing effectiveness.

The following are objectives that the Corporation intends to achieve with EHWP:

- 4.1.1 Design and provide an Integrated EHWP to employees of the Corporation and their immediate family members
- 4.1.2 Design and distribute posters, wallet cards, fridge magnets, brochures and pamphlets to market the program;
- 4.1.3 Provide an induction program to management and employees of the RTMC to enhance utilization rate of the program;
- 4.1.4 Provide up to eight (8) face-to-face counselling sessions in an official South African language that the client is conversant with, at a place that is close to where the employee works or stays.
- 4.1.5 Provide unlimited telephonic consultations to assist RTMC employees with personal problems hindering job performance, in an official South African language that the client is conversant with;
- 4.1.6 Provide spiritual counselling;
- 4.1.7 Provide a 24/7/365 days' telephonic services in all the 11 languages of South Africa;
- 4.1.8 Provide 24hours trauma services;

- 4.1.9 Provide services in all provinces of South Africa;
- 4.1.10 Conduct the Health Risk Assessments including HIV Counselling and Testing bi-annually to ensure a healthy Corporation;
- 4.1.11 Provide the HIV and AIDS program;
- 4.1.12 Distribute health and wellness tips (preferably electronic or web-based access) on a monthly basis in according to the Annual Health and Wellness Calendar to all employees;
- 4.1.13 Have the capacity to provide additional services such as but not limited to:
 - 4.1.13.1 Clinic services to the traffic trainees based at a College of the Corporation's choice within South Africa;
 - 4.1.13.2 Provide independent medical Assessments to determine the fitness of an employee for purposes of job re-alignment or fitness to hold office
- 4.1.14 Have a national footprint, for accessibility to all employees and their immediate family members in all the nine (9) provinces of South Africa.
